# PERSONAL COMMITMENT

**As members of one Earth community, we all share a common destiny. We join together to work for a sustainable future founded on respect for nature, human rights, economic justice, and a culture of peace.**

**AS A MEMBER OF SAFCEI, I/WE WILL STRIVE TO:**

## **RESPECT EARTH AND LIFE IN ALL ITS DIVERSITY**

- a. Recognise that all beings are interdependent and every form of life has value regardless of its worth to human beings.
- b. Affirm the inherent dignity of all human beings and the intellectual, artistic, ethical and spiritual potential of the human family.

## **CARE FOR THE COMMUNITY OF LIFE WITH UNDERSTANDING, COMPASSION AND LOVE**

- a. Accept that with the right to own, manage, and use natural resources comes the responsibility and duty to prevent environmental harm.
- b. Affirm that with increased freedom, knowledge, and power comes increased responsibility to promote the common good.

## **BUILD DEMOCRATIC SOCIETIES THAT ARE JUST, PARTICIPATORY, SUSTAINABLE, AND PEACEFUL**

- a. Ensure that communities at all levels guarantee human rights and fundamental freedoms, so that everyone has an opportunity to realise their full potential.
- b. Promote social and economic justice, enabling all to achieve a secure and meaningful livelihood that is ecologically responsible.

## **SECURE EARTH'S BOUNTY AND BEAUTY FOR PRESENT AND FUTURE GENERATIONS**

- a. Recognise that each generation's freedom of action must be circumscribed by the needs of future generations.
- b. Transmit to future generations the values, traditions and institutions that support the long-term flourishing of Earth and human communities.
