Ngamanye amathuba asiziva kamnandi ngezopolitiko.

Jikelele abantu boMzantsi Afrika batsala nzima ngomsebenzi, ubundlobongela, ubuhlwempu, izikolo ezikwimeko embi, izibhedlele eziphuphumayo, kwane kamva elingaqinisekanga. Ewe uninzi lwabapolitiki bethu babonakala benomdla kuphela elulawulweni, hayi ekukhonzeni abantu. Kodwa asimelwanga kukuyeka ukusebenzela ilizwe elingcono.

Singaphendula Njani?

Inye into eqinisekileyo: ukuba sizifulathele ezopolitiko, okokuba siyalincama ilungelo lethu kwanoxanduva lwethu lokuvota, izinto eneneni azingekhe ziphucuke. Ukuvota kungenza umahluko. Kungathumela abantu abangabo kwanemibutho ePalamente, kungakhuthaza abezopolitiko abalungileyo, yaye kungabothusa abo bangalunganga ukuba basebenze ngakumbi.

uPapa uFrancis uyasikhumbuza ngelithi: "uPolitiko sisenzo esibekekileyo. Simelwe kukubuya sisixabise,sisiphile ngobizo nokuzinikela okufuna ubungqina nobugorha-oko kukufela okulungileyo."

Mandulo uninzi lwabemi baseMzantsi Afrika lwaluzimisele 'ukufela okulungileyo' siyabulela, bambalwa ababizelwe ukwenza oko ngoku. Kodwa Sisonke sibizelwa ukuba senze oko sinakho ukwenza – oko ke kukuba sivote sonke ngononophelo nangokuthandaza.

Qinisekisa okokuba ubhalise ngethuba ukuze uvote!
Ngakumbi ngokubhalalisela ukuvota, kwanokuthi gqolo usemfuthweni wolwazi malunga nolonyulo, tyelela iwebsite yakwaIEC: www.elections.org.za

Ulonyulo lithuba elibalulekileyo kuthi ukuba sisebenzise isidima esasinikwa nguThixo ukuze sikhethe lowo umelwe kukusikhokela ngenjongo elungileyo. Ungaphoswa, qinisekisa ukuba ukubhalisela ukuvota" – **uBhishophu Sithembele Sipuka, *Umongameli wooBhishophu bamaKatolike oMzantsi Afrika***
